

Fighting Chance *for Families*

From October 1 to 4, 2021, Fighting Chance for Families conducted a survey of 1,284 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ± 3 percentage points.

Fighting Chance for Families is a project of Data for Progress and Groundwork Collaborative.

N=1,284 unless otherwise specified. Some values may not add up to 100 due to rounding.
