

DATA FOR **PROGRESS**

From December 1 to 6, 2021, Data for Progress conducted a survey of 1,185 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ± 3 percentage points.

N=1,185 unless otherwise specified. Some values may not add up to 100 due to rounding.

[2] Some state policymakers are proposing the FAST (Fast Food Accountability and Standards) Recovery Act. This act would bring together fast food workers, local franchise managers, large parent corporations like McDonald's, and public safety officials. As a group, they would then set standards on the health, safety, wages, and working hours for the fast food sector.	Strongly support	29%	49%	22%	12
