The Republican Governor of West Virginia, Jim Justice, supports this bill. He says that he has been a businessman all his life that when you have a real problem, you can't cut your way out. He says that a smaller bill would not fit the size of the crisis and will harm the economy in the long run. The Republican Minority Whip Steve Scalise of Louisiana opposes the bill. He says that this is Pelosi's Payoff to Progressives Act. If passed, Scalise thinks that it will keep schools closed, bail out blue states, pay people not to work, raise the minimum wage to \$15 an hour and hurt the economy by increasing the national debt.
