

DATA FOR **PROGRESS**

From May 5 to 6, 2021, Data for Progress conducted a survey of 1,328 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ±3 percentage points.

N=1328 unless otherwise specified. Some values may not add up to 100 due to rounding.

[1] The American Jobs Plan includes a plan to invest \$174 billion to accelerate electric vehicle (EV) production and usage in America. Please indicate whether you support or oppose each of these proposals included in this plan: -- Creating new tax incentives for American auto manufacturers to re-tool their factories to produce electric vehicles
