

From April 22 to 28, 2021, Data for Progress conducted a survey of 3,031 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ±2 percentage points.

N=3031 unless otherwise specified. Some values may not add up to 100 due to rounding.

- Repairing roads and bridges to be more resilient to flooding, extreme weather, and natural disasters
- Eliminating all lead pipes and upgrading aging drinking water systems
- Expanding broadband internet service to reach all Americans
- Building new renewable energy projects including wind and solar power
- Investing in new American energy innovation
- Reducing pollution and improving energy efficiency in homes, schools, and childcare centers
- Cleaning up abandoned mines and abandoned oil and gas wells.

Do you support or oppose the American Jobs Plan?

**[3]** The American Jobs Plan includes investments to eliminate all lead pipes and service lines in America's drinking water systems to ensure that all Americans have access to clean drinking water.

Do you support or oppose including these investments in the American Jobs Plan?
