

DATA FOR PROGRESS

From July 9 to 12, 2021, Data for Progress conducted a survey of 1,189 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ±3 percentage points.

N=1,189 unless otherwise specified. Some values may not add up to 100 due to rounding.

[2] Non-compete agreements between workers and their employers prevent workers from accepting a job at a competing business during or after employment. In many cases, this can undermine a properly functioning labor market because workers with certain specializations are forced to stay at one company rather than having their skills and talents competed for. Do you support or oppose President Biden issuing an executive order to limit the use of non-compete agreements?	Strongly support 28%	45%	23%	12
