

# DATA FOR PROGRESS

From September 15 to 17, 2021, Data for Progress conducted a survey of 1,346 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is  $\pm 3$  percentage points.

N=1,346 unless otherwise specified. Some values may not add up to 100 due to rounding.

**[1]** Below is a list of tax proposals that would fund new government investments in America's infrastructure, workforce, and families.

For each tax proposal, please say whether you support or oppose it.

— Increasing the top marginal tax rate on the highest income households from 37% to 39.6%
