

## Accountable Allies Data

This spreadsheet documents monetary contributions from 2019 to the most recent data available (as of March 2022) to politicians sponsoring anti-LGBTQ+ legislation and/or government policy in the 2021-2022 legislative session. Please see [Data for Progress](#) for more details, including a full methodological note.

Tab	What's included
<b>Pride Sponsor Aggregated Giving</b>	Aggregates across states of contributions made by corporations who are also Pride event sponsors.
<b>Fortune 500 Company Aggregated Giving</b>	Aggregates across states of contributions made by corporations who are also Fortune 500 companies.
<b>Bills</b>	The list of policies included in the scope of this investigation; this investigation examines a representative selection, but not all of the anti-LGBTQ+ bills under consideration in legislative bodies across the country.
<b>Politicians</b>	The sponsors, cosponsors, and/or authors of the policies examined in this investigation.
<b>Raw Contribution Data</b>	All monetary contributions in the 2020 election cycle disclosed in official campaign filings per that state's election regulations to politicians examined in this investigation.
<b>Source Links</b>	URLs to the Campaign Finance database/search tool from which data was collected for each state
