

DATA FOR **PROGRESS**

From June 10 to 13, 2022, Data for Progress conducted a survey of 1,268 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ±3 percentage points.

N=1,268 unless otherwise specified. Some values may not add up to 100 due to rounding.

<p>[1] A Community Benefits Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. [4] A Community Benefit Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

Based on what you know, for each of the following projects, please indicate whether you think it should or should not require the use of a CBA:

— Housing development

	D	I	R
Yes, this project should require the use of a CBA	56%	45%	51%
No, this project should not require the use of a CBA	21	26	30
Don't know	22	30	19

[5] A Community Benefit Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

Based on what you know, for each of the following projects, please indicate whether you think it should or should not require the use of a CBA:

— Renewable energy development (e.g., wind farm or solar farm)

	D	I	R
Yes, this project should require the use of a CBA	61%	49%	56%
No, this project should not require the use of a CBA	14	22	21
Don't know	25	29	23

[6] A Community Benefit Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

Based on what you know, for each of the following projects, please indicate whether you think it should or should not require the use of a CBA:

— Industrial chemical manufacturing plant

	D	I	R
Yes, this project should require the use of a CBA	63%	48%	55%
No, this project should not require the use of a CBA	13	20	24
Don't know	24	32	20

[7] A Community Benefit Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

Based on what you know, for each of the following projects, please indicate whether you think it should or should not require the use of a CBA:

— Oil or natural gas development

	D	I	R
Yes, this project should require the use of a CBA	63%	50%	55%
No, this project should not require the use of a CBA	15	19	26
Don't know	22	31	20

[8] A Community Benefit Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

Based on what you know, for each of the following projects, please indicate whether you think it should or should not require the use of a CBA:

— Corporate headquarters for a major company (e.g., Amazon)

		D	I	R
Yes, this project should require the use of a CBA	45%	53%	41%	42%
No, this project should not require the use of a CBA	30	23	32	35
Don't know	25	24	27	23

[9] A Community Benefits Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

Of the following benefits, which would you **most** like to see included in a CBA for a development project in **your community**?

		D	I	R
Labor benefits (e.g., hiring a certain number of local workers, paying local workers a living wage)	33%	26%	32%	40%
Funding for services for the community (e.g. mental health and substance abuse services, job training programs, youth outreach programs)	29	32	30	24
Funding for community development projects (e.g., community centers, senior centers, parks)	19	19	18	21
Environmental benefits (e.g., community solar panels, funding to make community buildings and homes more energy efficient)	19	23	20	15

[10] A Community Benefit Agreement (CBA) is a legally binding agreement between a project developer and a community where a project will be built. The CBA describes the benefits a project developer promises to give to a community in exchange for the community's support for the project.

If a CBA for a new development project in your community was being negotiated, are there certain groups in your community that you'd want to be involved in negotiating the CBA? Please select all that apply.
