

DATA FOR **PROGRESS**

From July 22 to 25, 2022, Data for Progress conducted a survey of 1,385 likely voters nationally using web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ± 3 percentage points.

N=1,385 unless otherwise specified. Some values may not add up to 100 due to rounding.

	Not at all important	25	7	23	45

Next, a majority of the Senate must also vote in support of the bill so that it can be signed by the President into law.

How important or unimportant is it that the Senate votes in support of this bill?
